Dune fabric Garden Jacquard is a soft and smooth weave. It is designed to meet the requirements of use in the marine environment. Can with advantage be used also in other applications. For example, outdoor furniture or ordinary furniture. The fabric is made of 100% spin-colored acrylic.

The cushion fabric is coated with a water-repellent layer that provides optimal protection in marine environments. The coated side, which faces inward on the roll, should be used as the backside/underside during installation.

Sold on a measuring or full roll.

Suitable for:

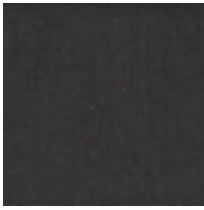

Accessories, Boat/Caravan, Curtains and Drapery, Upholstery
